

# BENTINO

Bentino is beyond proud to announce that our “Dover X” project has been crowned the Winner of the Design & Construct, House Award (\$5 Million – \$7 Million) at the 2025 Master Builders Association of NSW Awards.

**WE COULDN'T BE PROUDER OF WHAT WE'VE ACHIEVED TOGETHER AND THIS IS ONLY THE BEGINNING.**

To stand alongside such outstanding finalists was an honour in itself, and we are truly humbled to be recognised at this level.

From the beginning, Bentino has strived to be more than a builder, we are a multidisciplinary firm of the highest calibre, pushing the limits of design, innovation, and execution.

This award is a testament to the unwavering drive, dedication, and teamwork across our Head Office, Insurance, and Development divisions. Every member of our team plays a vital role, and this recognition belongs to all of them.

**WINNER**

**BENTINO**  
**'DOVER X'**
